

Temporary Service Request

The Florida Governmental Utility Authority (FGUA) recognizes that there are instances where utility service may be needed temporarily, but where an established account is not required. A responsible party must sign as outlined below: This policy is intended for Realtors and/or representatives **ONLY** and related to home inspection for the purpose of a property sale. Any new tenant, owner or resident of a property must complete an Application for Service and would not be eligible for a temporary connection.

Name

Company Name

Mailing Address City State Zip Code

Daytime Telephone (with area code) Email Address

NOTE: The Responsible Party will be liable for any usage that occurs during the 24 hour period that service is on (over 1,000 gallons). This will include usage that occurs as a result of a leak, water theft or any other event outside of the normal inspection/site visit.

Unpaid usage/account balances incurred as a result of the property owner is considered a lien against the property, even if not filed. A turn on and turn off in this situation does not alleviate or dismiss any account charges that are owed to the utility and any unpaid balances must be collected in full before a new account will be opened.
